Various artistic works were selected to share with the local community and an article detailing my artistic journey was released.

### **Variety and Special Events Chair**

The Student Programming Board at Arcadia University · Glenside, Pennsylvania

12/2017 - 05/2021

Served as an executive on the board in which I attended two weekly meetings and coordinated events that were held on the weekends. Provided catalogs and timesheets to the advisors detailing expenditures, voted on executive decisions within the board by direct communication and Zoom meetings. Booked various talents and provided rider contracts to those artists including singer- songwriters, comedians, magicians and spoken- word poets. Also served as bodyguard while talent rehearsed and performed on campus. Recruited fellow students at the University to join the largest club on campus by networking, advertising with the use of posters, social media updates, email correspondence and through the app KnightLife.

### **Featured Artist**

Ivystone Studio · Downingtown, Pennsylvania

01/2020 - Present

Provided various artistic works, including charcoal drawings and acrylic paintings, to be sold in-person and online at the studio. Facilitated in-person and through email (during the Coronavirus Pandemic).
